

Last updated September 26, 2016

Show Name

2016

World PM2016 Congress & Exhibition

Kompozyt-Expo

Go Carbon Fiber (Europe)

JEC Americas

MATERIALICA 2016

Industrial Fabrics Association International (IFAI)

SAMPE Korea / Korea Composite Show

IUMRS-ICA 2016 (17th Asian International Conference and Advanced Materials Industry Technology Exposition)

Materials Science & Technology (MS&T)

Lithium Battery Power

Composites Engineering Show:Advanced Engineering UK

International Precious Metals & Commodities Show

NuMat

Composites World

TurckChem- Chem Show Eurasia

SAMPE Brazil/Feiplar Composites

JEC Asia

Composite Spain

PM Management Summit (Members Only)

Lightweight Vehicle Manufacturing Europe

Materials Research Society Fall Meeting

Composites Europe

Powtex

2017

The International Forum on Magnetic Applications, Technologies and Materials

Electronic Materials and Applications

Fuel Cell Seminar & Exposition (ICACC/ACERS)

Annual Conf on Composites, Materials & Structures (USACA)

AABC Europe - Advanced Automotive Battery Conference

Next Generation Batteries

Materials Challenges in Alternative & Renewable Energy (MCARE)

TMS

MIM - Metal Injection Molding Association

ARPA-E Energy Innovation Summit

International Specialized Exhibition on Composite Materials & Technologies

Indian Ceramics

Battery Japan Tokyo Expo

PDAC Mining Investment Show

PITTCON Laboratory Science Equipment Expo

Composites Manufacturing

Solar Power Generation- in 2016 now RECAM week

Semi-Therm

SAMPE Europe Conferences

JEC World

Ceramic Society of Japan Annual Meeting

International Battery Seminar & Exhibit

Graphene Conference
Computec (with Seatec)
Advanced Aerospace Materials and Processes Conference and Exposition (AeroMat)
Materials Research Society Spring Meeting
TECHNO-FRONTIER 2017
MMTA's International Minor Metals Conference
Hannover Messe
Ceramics Expo
China International Powder Metallurgy Conference (PM China)
SAMPE Seattle
International Symposium on Green Composite Materials (SAMPE China)
Nanotech Conference & Expo
Powders & Bulk Solids
Pacific Rim Conference on Ceramic and Glass Technology
International Glass Fiber Symposium (GOMD)
European Materials Research Society Spring Meeting
New Diamond and Nano Carbons Conference
Plansee Seminar
Ceramics China
ACPM Expo
ECerS 15th International Conference
Achema
18th Metal + Metallurgy China
PowderMet
WCAM - World Congress of Advanced Materials
Techtextil North America
International Conference on Nanomaterials (NanoSPD)
International Conference on High Temperature Electronics
International Conference on Composite Material
ASEAN Ceramics
China Composites Expo
Composites and Advanced Materials Expo (CAMX)
The Battery Show
Techtextil
Powtech
Heat Treat Expo
Chem Show
CICC - International Conference on High-Performance Ceramics
Materials Science and Engineering

2018

TMS
CERAMITEC
China International Battery Fair (CIBF)
PowderMet

2019

TMS
ThermProcess

2020

TMS

TBD

Graphene Commercialization & Applications

Electric Vehicle Battery Forum

ACTSEA

Strategic Metals and Rare Earths

HITHERM PRAGUE

PM World Congress with Tungsten, Refractory & Hard Metals Conference

Nanostructure Fabrication - Gordon Research Conferences

Workshop on Zinc Oxide and Related Materials (IWZNO)

India Composites Show

International Conference on Ceramic Materials and Components for Energy and Environment Applications (CMCE)

International Conference on Smart Materials and Nanotechnology in Engineering (SMN 2013)

Particles in Composites and Advanced Materials

International Conferences on Fusion Reactor Materials (ICFRM)

Fuel Cell Seminar & Exposition

Graphene Live

National Conference on Carbon Materials (CCM)

High Temperature Processing Symposium

International Conference and Exhibition on Ceramic Interconnect & Ceramic Microsystems Technologies (CICMT)

Advanced Coatings

AchemAsia

Brazilian Ceramics Congress

International Conference on Metallurgy and Materials

Carbon Expo

Power Sources Conference

AABC - Advanced Automotive Battery Conference

Argus Rare Earths

European Conference on Composite Materials (ECCM)

International Conference on High Temperature Ceramic Matrix Composites (HTCMC)

World Conference on Carbon (Carbon 2016)

International Conference on Composites, Nano Engineering

Institute of Nuclear Materials Management (INMM)

Advancements in Thermal Management

American Coatings Show

Advanced Coatings for Large-Area or High-Volume Products

International Conference on Nanostructured Materials

International Congress on Ceramics

Global Automotive Lightweight Materials Detroit

International Conference on Nanostructured Materials

International Congress on Ceramics

Global Automotive Lightweight Materials Detroit

Annual Conference of Metallurgists (MetSoc of CIM)

Show Start	Show End	Show Year	Focus	Location	Country
3-Oct	13-Oct	2016	Powders & Metals	Hamburg	Germany
5-Oct	7-Oct	2016	Composites	Krakov	Poland
